	Title	ELECTRONIC SIGN ENCLOSURE HAVING A RAIL
	Atty Docket Number	DAKTRONICS

I/we hereby certify that the invention disclosed in the attached application has not and will not be the subject of any application filed in another country, or under a multilateral agreement, that requires publication at eighteen months after filing.

I/we hereby request that the attached application not be published under 35 U.S.C. 122(b).

U.S. PATENT AND TRADEMARK OFFICE

Todd L. Rose

Date

This request must be signed in compliance with 37 CFR 1.33(b) and submitted with the application upon filing.

Applicant(s) may rescind this nonpublication request at any time. If applicant(s) rescinds a request that an application not be published under 35 U.S.C. 122(b), the application will be scheduled for publication at eighteen months from the earliest claimed filing date for which a benefit is claimed.

If applicant(s) subsequently files an application directed to the invention disclosed in the attached application in another country, or under a multilateral international agreement, that requires publication of applications eighteen months after filing, the applicant(s) must notify the United States Patent and Trademark Office of such filing within forty-five (45) days after the date of the filing of such foreign or international application. Failure to do so will result in abandonment of this application (35 U.S.C. 122(b)(2)(B)(iii)).
